Boston Medical Center is sponsoring review courses for RNs and NPs working in the addiction field who have an interest in becoming certified as a Certified Addictions Registered Nurse (CARN) or Certified Addictions Registered Nurse - Advanced Practice (CARN-AP). **For more information about the CARN and CARN AP certification:** <http://intnsa.org/certification>

To register for the CARN Review Course, please visit: www.bmcobat.org

Training is free to nurses who plan to take the exam. Due to high demand for these courses, a \$50 deposit check, payable to MA IntNSA, is required to secure your spot. The check will be returned to you when you attend the training.

Accreditation information

Boston Medical Center grants 7.25 nursing contact hours to nurses who complete this program. You must stay for the entire program, and complete the evaluation form.

This program has no commercial support. Faculty and planners have no vested interests, and there are no conflicts of interest. There will be no discussion of off label uses of drugs.

Boston Medical Center is an approved provider of continuing nursing education by American Nurses Association, Massachusetts, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
